Breonna Taylor
3003 Springfield Drive #4
Louisville, KY 40214
(Accurint – April 2016 to Present)
DOB: 06/05/1993
SSN: 384-15-2188
OLN: T09-925-022 (KY)
12/03/2016 – LMPD Homicide Unit learned that the vehicle their most recent victim, Fernandez Bowman, was found in was a rental and had been rented by Breonna Taylor with an address of 3003 Springfield Drive #4, Louisville, KY 40214. At approximately 0530 hours, Detective Y. Baker and J. Speaks went to Ms. Taylor's address to conduct an interview regarding any knowledge she may have that would be relevant to the homicide investigation. Upon contact with Ms. Taylor, Detectives observed a male in the apartment with her, identified as Jamarcus Glover (DOB: 04/05/1990). Ms. Taylor stated that she did not know the victim and that she found out what had possibly happened from her boyfriend, Jamarcus Glover. Ms. Taylor stated that she had been dating Jamarcus Glover for approximately 3-4 months and allowed him to drive her rental car. Ms. Taylor provided detectives with a contact phone number of 502-457-4235 (the same phone number Jamarcus Glover provided on 02/14/2020 when he called LMPD's 1st Division to file a complaint for his vehicle being towed as well as the same phone number that is consistent with a history of jail calls between Jamarcus Glover and Ms. Taylor).
It is important to note that the homicide victim is the brother of Demarius Bowman, which is one of Jamarcus Glover's associates and has been arrested with Jamarcus Glover numerous times.
1
01/23/2017 – Breonna Taylor posted bond for Jamarcus Glover on two different pending cases (16-F-002769 and 17-M-000263 – see attached).
2

12/30/2019 – 1st Division executed simultaneous search warrants at 2424 Elliott Avenue, 2426 Elliott Avenue, and 2605 W. Muhammad Ali Blvd. Arrested: Adrian Walker, Rayshawn Lee, Darreal Forest, Jamarcus Glover (01/03/2020 – warrant of arrest served), Dominique Crenshaw (01/03/2020 – warrant of arrest served), and Cleve Knight Jr. (01/11/2020 – warrant of arrest served). Evidence Seized: 5 handguns (one stolen), 3 long guns, 4.9 grams of crack cocaine, 14.4 grams of marijuana, 2 cell phones, and assorted drug paraphernalia and surveillance systems.
12/31/2019 – The Place Based Investigation (PBI) team selected their first microcell location, with the parameters being S. 24th Street to S. 28th Street and W. Broadway to Magazine Street, based on an increase in violent crime reported in the area (i.e. aggravated assaults and narcotics related offenses). PBI detectives started to gather research within the designated area such as calls for service (CFS), incident reports, and narcotics related crime tips. A lot of the call volume and narcotics related crime tips lead detectives to 2424 Elliott Avenue. Additionally, through physical surveillance, detectives observed that vehicular and foot traffic had picked back up at 2424 Elliott Avenue within a couple days of the 1st Division executing their search warrants.
01/02/2020 – PBI team had LMPD's Technical Unit install a pole camera at the intersection of S. 24th Street and Elliott Avenue facing west. Within an hour of the pole camera being installed, PBI detectives witnessed approximately 15-20 vehicles go to and from 2424 Elliott Avenue for a short period of time which is indicative of narcotics trafficking. At 17:52:30 hours, PBI detectives observed a white 2016 Chevrolet Impala (KY 140-ZAT) pull up in front of 2424 Elliott Avenue and Jamarcus Glover exited the passenger side of the vehicle (*bookmarked on terabyte drive*). The vehicle was registered to Breonna Taylor at 3003 Springfield Drive #4, Louisville, KY 40214.

B. Taylor says to J. Glover, “I love you too.”
**It is important to note that from 01/01/2016 to 01/03/2020, Breonna Taylor’s phone number (502-457-4235) was called 48 times from jail. Unfortunately, several of the calls are no longer available to listen to and when the number is called from booking it does not provide an inmate’s

name; however, once the inmate is booked and assigned to a dormitory, the system is able to track the inmate that is making the call. In the time frame referenced above, Jamarcus Glover called Breonna Taylor 26 times from his dormitory and a male by the name of Curtis Palm called Breonna Taylor 7 times from his dormitory. Curtis Palm (DOB: 11/04/1982) has a conviction for Possession of a Controlled Substance –

Cocaine (2016) as well as a history of other felony convictions per CourtNet.**

01/09/2020 – At this point in the investigation, PBI detectives had conducted physical surveillance and surveillance through the pole camera numerous times on the 2400 block of Elliott Avenue. Through the PBI detectives' training and experience, 2424 Elliott Avenue appeared to be a "trap house" (where drugs are sold) and the suppliers of the narcotics for the "trap house" were Jamarcus Glover and Adrian Walker. PBI detectives observed through their surveillance that when the narcotics being dealt from 2424 Elliott Avenue were low (minimal pedestrian and vehicle traffic) Jamarcus Glover or Adrian Walker would show up operating a red 2017 Dodge Charger (KY 396-ZNV) and appear to "re-up" the trap house at 2424 Elliott Avenue. Both individuals had been observed either entering/exiting 2424 Elliott Avenue or dropping suspected narcotics near the sidewalk between the vacant house at 2425 Elliott Avenue and 2427 Elliott Avenue. Once they left the area, pedestrian and vehicle traffic resumed to normal. During the early afternoon hours on 01/09/2020, PBI detectives observed the red 2017 Dodge Charger (KY 396-ZNV) leaving 2424 Elliott Avenue. PBI detectives attempted to follow the vehicle to further the investigation into Jamarcus Glover and Adrian Walker's criminal enterprise. PBI detectives had a difficult time following the vehicle as the operator was conducting "heat checks" by driving around the same city block twice, using evasive maneuvers by making abrupt turns and unsafe lane changes. Since the PBI detectives had exhausted all conventional means of surveillance on this vehicle, a search warrant for a GPS tracking device to be installed on the vehicle was applied for and signed (see attached).

01/10/2020 – LMPD's tech unit installed the GPS tracking device on the red 2017 Dodge Charger (KY 396-ZNV). From 01/12/2020 to 01/31/2020, the data from the GPS tracking device shows that the vehicle went to 3003 Springfield Drive 6 times (01/12/2020, 01/14/2020, 01/16/2020, 01/20/2020, 01/26/2020, and 01/31/2020 – see attached map).

01/16/2020 – PBI detectives observed Jamarcus Glover operating the red 2017 Dodge Charger (KY 396-ZNV) pull up and park in front of 3003 Springfield Drive. PBI detectives then observed Jamarcus Glover walk directly into apartment #4. After a short period of time, Jamarcus Glover was observed exiting the apartment with a suspected USPS package in his right hand. Detective Kelly Goodlett was able to take photographs (see attached). Jamarcus Glover then got back into the red 2017 Dodge Charger and drove
7
straight to 2605 W. Muhammed Ali Blvd. Through physical surveillance, PBI detectives had observed numerous short stays (both pedestrian and vehicle) at 2605 W. Muhammad Ali Blvd as well as Jamarcus Glover and his associates
come and go from that location. PBI detectives believed that 2605 W. Muhammad Ali Blvd was a secondary "trap house" in their narcotics trafficking operation.

02/04/2020 – PBI detectives applied for a second GPS tracking device on the red 2017 Dodge Charger (KY 396-ZNV) because the first warrant was expiring (see attached). At this point in the investigation, PBI detectives learned via the GPS tracker that the red 2017 Dodge Charger (KY 396-ZNV) had made a trip to Biloxi, Mississippi, where Jamarcus Glover once resided and has had ties to narcotics trafficking within Mississippi.
8
02/06/2020 – PBI Detectives submitted a Grand Jury subpoena for Jamarcus Glover, Adrian Walker, and Kiera Bradley's (Jamarcus' child's mother) Chase Bank records (see attached).

02/13/2020 – At approximately 1427 hours, PBI detectives observed through the pole camera Jamarcus Glover operating a black Dodge Charger (KY 442- ZZN) pull up in front of 2424 Elliott Avenue and go inside the residence. The vehicle is registered to Breonna Taylor at 3003 Springfield Drive #4, Louisville, KY 40214. At approximately 1430 hours, PBI detectives observed Breonna Taylor get out of the passenger side of the vehicle and look around for a few seconds before she got back into the vehicle. At approximately 1432 hours, PBI detectives observed Jamarcus Glover exit 2424 Elliott Avenue and get back into the vehicle and then the vehicle pulled off eastbound on Elliott Avenue (see attached photos).
9
It is important to note that PBI detectives have observed on the pole camera Breonna Taylor's black Dodge Charger (KY 442-ZZN) pull up in front of 2424 Elliott Avenue numerous times at varying hours of the day/night (see attached photo).

02/14/2020 – Officer Corey Evans (LMPD 1st Division) towed the red 2017 Dodge Charger (KY 396ZNV) from 2605 W. Muhammad Ali Blvd for a parking violation. Jamarcus Glover went to the LMPD's 1st Division desk clerk and attempted to file a complaint against Officer Evans. Jamarcus Glover gave the phone number 502-457-4235 to contact him which is registered to Breonna Taylor. PBI detectives were able to verify through CLEAR, a law enforcement database, that as of February 20, 2020, Jamarcus Glover used Breonna Taylor's address (3003 Springfield Drive #4, Louisville, KY 40214) as his residence.
02/24/2020 – PBI detectives received Jamarcus Glover's bank records from Chase Bank. On these bank statements, Jamarcus Glover used 3003 Springfield Drive #4, Louisville, KY 40214 as his mailing address (see attached).
10
03/13/2020 – PBI detectives with the assistance of other Criminal Interdiction Division (CID) detectives and the SWAT team executed simultaneous search warrants at 2424 Elliott Avenue, 2425 Elliott Avenue, 2426 Elliott Avenue, and 3003 Springfield Drive #4 (see attached). During a

search of 2424 Elliott Avenue, PBI detectives were able to recover a large amount of suspected crack cocaine and suspected Fentanyl pills inside a Crown Royal bag in a tree in the backyard of the property that was hidden in order to avoid detection from law enforcement. K-9 Maverick alerted on the bag containing the narcotics. PBI detectives also located a large amount of US currency, digital scales, and other evidence of narcotics trafficking within the residence. Pictures were taken of an attempt to destroy suspected cocaine by placing it inside the toilet tank in the residence. Three firearms were recovered from the glove box of a beige 2001 Crown Victoria (KY 715-YRV) and one firearm was recovered from a gap to the right of the front porch steps at the vacant house at 2426 Elliott Avenue (80-20-017041). Jamarcus Glover, Demarius Bowman, Rayshawn Lee, and Alicia Jones were located at 2424 Elliott Avenue at the time the search warrants were executed. PBI detectives were able to seize all these individuals' cell phones and execute search warrants on them. PBI detectives also obtained an LG&E bill from inside of 2424 Elliott Avenue that had Adrian Walker's name on it.

When the search warrant was executed at 3003 Springfield Drive #4, which Breonna Taylor was listed on, an officer involved shooting (OIS) occurred and as a result Breonna Taylor was killed. Present inside the apartment at the time the search warrant was executed was Breonna Taylor and Kenneth Walker. The Public Integrity Unit (PIU) responded to the scene and took over the investigation.

It is important to note that PBI Detectives had a signed search warrant for 2605 W. Muhammad Ali Blvd, but due to the OIS and limited resources available, the warrant was unable to be served.

Bre's paper trail makes sense for everything she got though."
J. Glover says to A. Walker, "...I don't understand how they serve a warrant for Bre's house when nothing ties me to Bre house at all except these bonds."
A. Walker says to J. Glover, "Bonds and cars and 2016... It's just ties though... Look at the ties since 2016, ever since Rambo (homicide victim)... and the camera right there, they see a motherfucker pull up."
J. Glover says to A. Walker, "Yeah she (Breonna Taylor) was out there the top of the week before I went to court."

A. Walker says to J. Glover, "I thought you said they found some money over there?"
J. Glover says to A. Walker, "It was there, it was there, it was there... They didn't do nothing though that's the problem... Kenneth said ain't none of that go on."
A. Walker says to J. Glover, "So they didn't take none of the money?"
J. Glover says to A. Walker, "Kenneth said that none of that go on. He said Homicide came straight on the scene and they went to packaging Bre and they left."
A. Walker says to J. Glover, "He said they didn't announce themselves or something?"
J. Glover says to A. Walker, "He sayin they wasn't, he's sayin they were just beating so hard."

J. Glover says to A. Walker, “Yeah we (him and Breonna Taylor) had text that day though big dog that’s the thing, we text that day nigga, on my life she text me and asked me when this stuff coming in for my car...
